

Make Payments Online!

North Polk CSD is pleased to bring you the online convenience of our new payment processing system, PaySchools. This program allows you to make school-related payments online via e-check or credit card at your convenience all from our school's Web site.

How It Works

Access our online payment processing system from our school's Web site at <http://www.n-polk.k12.ia.us>. Then enter the online store at the Playschools link to make purchases of all available products in this one location.

The first time you access PaySchools, you will be asked to create a username and password. After you login, simply select the item(s) you wish to purchase then choose to pay by e-check or credit card. To pay by e-check (directly debiting your bank account), you will enter your bank's ABA routing number and personal bank account number. To make your purchase by credit card, enter the account number and expiration date for your VISA, MasterCard or Discover credit card. A small fee (3% or less) will be accessed to each transaction after you complete your purchase, an e-mail confirmation and receipt will immediately be sent to you. PaySchools uses "Secure Sockets Layer" (SSL) software, requires passwords throughout the program, and **does not store personal bank or credit card information to ensure privacy and security for users.**
